

Curriculum Vitae Tobias Sommer-Blöchl

- 2010 visiting scholar at the Stanford Memory Lab headed by Prof. A.Wagner
since 06 Principal Investigator at the Department for Systems Neuroscience,
University Medical School Hamburg-Eppendorf (UKE)
- 2003-05 Clinical neuropsychologist at the Department for Neurology, University
Medical School Hamburg-Eppendorf (UKE)
- 2003-08 Training as Behavior Therapist at the IVAH (Institut für
Verhaltenstherapieausbildung Hamburg)
- 2002-06 Doctoral thesis at the Department for Systems Neuroscience, University
Medical School Hamburg-Eppendorf (UKE): "The Memory for Object-
Location Associations: Encoding - Storage - Retrieval"
- 1996-02 **Study of psychology at the University of Hamburg**
- 2000-01 Diploma-thesis at the Sackler Institute for Developmental Psychobiology,
New York, NY, USA, in the team headed by Prof. M.I. Posner: " The
molecular behavior genetics of attention: Testing candidate genes"
- 1999-01 Visiting scientist at the Sackler Institute for Developmental Psychobiology,
New York, NY, USA, in the team headed by Prof. M.I. Posner
- 1995-96 Diploma-thesis at the Center for Molecular Neurobiology Hamburg in the
team headed by Prof. O. Pongs: "Interaction of alpha- and beta-subunits of
voltage gated potassium channels"
- 1990-95 **Study of biology at the Christian-Albrechts-University Kiel**
- 1988-90 Civil service in an institution for the mentally disabled
- 1988 Abitur at the Wilhelm Gymnasium Braunschweig
- 1969 born in Braunschweig, Germany
